110 HORIZON FLYBRIDGE

110 Horizon has the perfect combination of dedicated crew, ultimate comfort and unrivaled style. You really will rock out in style along the Miami coastline with your guests. The spacious exterior has been formed through the long sleek lines from back to front on board the Nirvana. The top deck with the tower view will allow you to browse the Miami coast line in comfort and style. Move down a level to the fly bridge and you are greeted by an expansive Jacuzzi with surrounding sun pads and bar. Head down to the aft deck and find an open space dominated by a centralized marble table surrounded by contemporary chairs. The plush three corner sofa is ideal for family relaxing out of the blazing sun. Both starboard and port side are blessed with windows making your saloon space
