78 AZIMUT S FLYBRIDGE

78 Azimut features 1200HP Volvo Penta engines with IPS pod drives with cruising speeds of 30mph and top speed of 35mph. What truly sets this vessel apart from others is the new Seakeeper technology integrated into the ship. It burns 30% less fuel than any other other vessel in this size. She is equipped with two large Seakeepers to create the most comfortable, smooth experience you will ever have. By eliminating over 95% of all sea sickness, 78 Azimut is able to ensure that all your guests can fully enjoy the excursion.
